details:**Marian ENE**

Permanent residence -1st December Avenue, no. 62, bl.146, apt.6, Oltenita City, Calarasi District, ROMANIA;
 Temporary residence – Poiana Cernei Alley, no.2, bl.E5, apt.21, Bucharest, ROMANIA;
 Oversea Past Residences – Germany Street, no. 14, 44379, Dortmund, GERMANY / 6 Jalan Beringin, 438566, SINGAPORE; Mobile: +65 8306737/ 3336 Phaholyothin Rd. Chompton, Chatuchak, Bangkok, THAILAND; Mobile: +66 617259660.

Mobile: **0040722281140****0040753960064**Email: qcmarianene@gmail.comub_marian_ene@yahoo.com**EDUCATION**

PMP - Project Management Professional in progress
B.Eng., Hydrogeology and Engineering Geology
University of Bucharest, 2004, Geology and Geophysics

PROFESSIONAL ASSOCIATIONS

IAEG (International Association of Engineering Geology) – member
ARGI (Romanian Association of Engineering Geology) – member
SMTC Global Singapore

AREAS OF SPECIALIZATIONS

Monitoring & Scheduling & Managing
Technical & Geotechnical Engineering Supervising
Geotechnical laboratory
EUROCODE 7 and ASTM standards
IN SITU tests: CPT, CPTu, DPL, DPH, DPSH
Dynamic Plate Test
Geotechnical wells
Piezometer – groundwater monitoring wells
Drilled piles for foundations - Cast-in-drilled-hole piles (CIDH piles) or
Cast-in-Situ piles;
FDP and CFA piles
Secant piled walls
Pile Loading Test

RESUME FOR

Present Job Title:

Date of Birth:

Nationality:

Languages:

Postgraduate Research Experience:

Certificates:

Hobbies:

Senior Geological Engineer

17-Jun-77

Romanian/German residence

Romanian, English, French, German

Offshore Geotechnics & Geophysics

Basic Offshore Safety Induction Emergency Training

Music, travelling, Sound design and Dj

EMPLOYMENT HISTORY

Mar 18 to present

SC AQUAPROIECT S.A

May 2017 to Jan 2018

SBR SOLETANCHE BACHY FUNDATII - Special Foundations, ROMANIA

Oct 2016 to Mar 2017

SC GEOSTUD SRL Bucuresti - Geological & Geotechnical, ROMANIA

Mar 2016 to Sept 2016

SC SAIDEL ENGINEERING SRL Bucuresti - Designing, ROMANIA

Mar 2014 to Mar 2016

SMG GEOSCIENCES - Offshore soil investigations, SINGAPORE

Nov 2004 to Febr 2014

SC AGISFOR SRL Bucuresti - Special Foundations, ROMANIA**LIST OF PROJECT EXPERIENCE**

Period	Client / Owner / Contract	Project / Job designation
2017	Screwsol Piles Construction – LIDL Storehouse Construction, Roman, Neamt District, Romania	Senior Site Manager Pump System Tests, Supervising Drilling Piles, Reinforcing System; Liaising with clients and a variety of professionals, such as surveyors, engineers and architects; Supervising contracted staff and meeting with sub-contractors; Reporting progress to clients and board members via phone calls, written reports and presentations; Problem solving; Checking and preparing site reports, drawings and designs; Using specialist construction management computer software; Making safety inspections and ensuring site procedures uphold construction and site regulations; Management of the client's expectations and technical development; Site based Geotechnical consulting and design; Hands on monitoring and inspections; Specialized geotechnical projects; Management of (geo)technical risk as per the clients systems; Development and mentoring of existing staff; Meeting all geotechnical obligations under the relevant mining regulations and act; Contractor management
2017	Jimbolia – Detailed Geotechnical Study for Improvement and Extension of Public Water Supply and Sewer System Bucharest, Romania	Senior Getechnical Manager Perform geotechnical analysis and study to assess construction site condition; Plan and conduct geotechnical exploration effectively; Perform field and environmental investigations for construction projects; Analyze geotechnical findings, perform appropriate calculations and check data reports; Develop proposals and determine cost and schedule for investigations; Provide direction to technical team in field inspection activities; Evaluate team performance and determine training needs to meet performance objectives; Perform basic office administration tasks when needed; Develop design drawings and specifications for construction projects; Review and approve geotechnical designs developed by outside consultants; Review construction design proposals and approve geotechnical aspects; Provide Project Management and technical leadership for project; Coordinate work with clients and other technical groups (e.g., structural engineers, environmental scientists, etc.); Training for documents and geotechnical logs; Contribute to the overall growth of the Engineering Practice; Help develop and maintain spirit of the engineering team.

2017	Local County Council of Poiana Lacului – Expertise and Geotechnical Study for local area of public road, influenced by landslide Bucharest, Romania	Geotechnical Manager; Perform geotechnical analysis and study to assess construction site condition; Provide expert advice to ensure that best practice geotechnical design is applied to the site; Develop and coach national staff to build capacity, ensure knowledge transfer and that analyses follow best practices; Provide professional advice/recommendations to PTFI leadership and supervisory staff ; Understand and be aware of safety and environmental practices in the various work areas to ensure safe work; Plan and conduct geotechnical exploration effectively; Perform field and environmental investigations for construction projects; Analyze geotechnical findings, perform appropriate calculations and check data reports; Develop proposals and determine cost and schedule for investigations; Provide direction to technical team in field inspection activities; Evaluate team performance and determine training needs to meet performance objectives; Perform basic office administration tasks when needed; Develop design drawings and specifications for construction projects; Review and approve geotechnical designs developed by outside consultants; Review construction design proposals and approve geotechnical aspects; Provide Project Management and technical leadership for project; Coordinate work with clients and other technical groups (e.g., structural engineers, environmental scientists, etc.); Training for documents and geotechnical logs; Contribute to the overall growth of the Engineering Practice; Help develop and maintain spirit of the engineering team.
2016	National Company of Highways and National Roads from Romania Lacul Stejeris – Geotechnical investigations for Motorway Sebes-Turda Bucharest, Romania	Junior Geotechnical Manager Participating in project pursuits and serving in a project management and/or lead technical role for geotechnical projects; Perform field and environmental investigations for construction projects; Analyze geotechnical findings, perform appropriate calculations and check data reports; Develop proposals and determine cost and schedule for investigations; Provide direction to technical team in field inspection activities; Proposal preparation, the planning, analysis, design, reporting, and preparation of specifications for geotechnical projects, and mentoring of technical staff; Specialized experience with regard to site investigation programs, design and in-situ testing of deep foundations, soil and rock slope stability evaluations, participating of the design reinforcement works and reinforced soil slopes, and settlement evaluation and mitigation measures is required.
2016	National Company of Highways and National Roads from Romania Sibiu-Pitesti –Geotechnical Study of revising and updating The Feasibility Study for Motorway Sibiu-Pitesti Bucharest, Romania	Senior Geotechnical Engineer Perform basic office administration tasks when needed; Develop design drawings and specifications for construction project; Review and approve geotechnical designs developed by outside consultants; Review construction design proposals and approve geotechnical aspects; Proposal preparation of specifications for geotechnical projects, and mentoring of technical staff; Specialized experience with regard to site investigation programs, design and in-situ testing of deep foundations, geotechnical data.
2016	One United Plaza Foundations and Building Construction Bucharest, Romania	Senior Geotechnical Manager - Geotechnical Assistance Staff Geotechnical Supervising, Pump System Tests, Supervising Drilling Piles, Reinforcing System, Management of the client's expectations and technical development, Site based Geotechnical consulting and design
2016	Galati Shopping City Gallery Mall Extension Project - Building Construction Galati, Romania	Senior Geological Engineer - Geotechnical Assistance Geotechnical borehole : supervising & QC Soil: Assistance for sampling, description and IN SITU testing (SPT), well completion, Dynamic plate tests
2016	New Europe Property Investment Promenada Mall Extension Project - Building Construction Bucharest, Romania	Senior Geological Engineer - Geotechnical Assistance Geotechnical borehole : supervising & QC Soil: Assistance for sampling, description and IN SITU testing (SPT), well completion, Hydrogeological tests

2014	Embassy of Germany Rehabilitation Project Bucharest, Romania	Head of IN SITU Dept - Geotechnical MANAGER Horizontal strain Piles Loading Test (2200 kPa)
2014 - 2016	Chevron - BRUNEL ENERGY OFFSHORE PROJECTS Singapore & Thailand	QC Engineer - Senior Project Geologist Performs scouting of exploration activities in the region; Collect and evaluate geological and geophysical data and information; Analysis of seismic data; Taking care of QA/QC documents of the entire project including certificates, calibration, test results, inspection requests, non-compliance reports and site instruction/observations, permanent materials delivered and other QA/QC documents. Responsible for the closure of Non-conformance, NCR and Site Instruction, SI; Responsible for the quality and workmanship of every activity, thorough knowledge of all phases of engineering construction relating to Civil, Architectural and Structural discipline interfacing the multidisciplinary operations; Develop method statement for the activity including risk assessment and job safety environmental analysis and Inspection Test Plan and Checklist based on specifications of the project; Carry out Internal Audit at the site as scheduled in the Project; Present and Post drill analysis and evaluation; Supervision of contractors (if necessary); Propose application of new technical works.
2013	Bucharest Subway Network Development Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Dewatering wells Geotechnical well : planing & supervising Soil: sampling, description
2013	Business Center Construction Project Titeica Street Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Vertical stress Piles Loading Test (3750 kPa)
2013	Subterannenan Passing Tunnel Azuga City, Prahova District, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT)
2013	Business Center Construction Project Iasi City, Romania	Head of IN SITU Dept - Geotechnical MANAGER Vertical stress Piles Loading Test (4750 kPa)
2013	Residential Quarter Construction Project Jean Monnet Street Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT)
2013	Business Center Construction Project Cluj City, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Vertical stress Piles Loading Test (9000 kPa)
2013	Residential Quarter Construction Project Mamaia Avenue Constanta City, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT)
2013	Water Supply Network Development Project Mircea Voda Avenue, Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT) DPH testing
2013	Bridge Foundation Verification-Construction Project Agigea City, Constanta District, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT)
2013	Cina Building Restaurant Expansion & Construction Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil: sampling, description and IN SITU testing (SPT) CPTu testing Down-hole completion

2013	Bucharest Old Center Residential Construction Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2012	Southern Bucharest Purging Station Development Project Glina City, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) CPTu testing;Water measurement : piezometer completion
2012	Seaport Dock Expansion Project Dock No.31 Galati City, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2012	Municipal Hospital Development Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) Water measurement : piezometer completion
2012	Sibiu International Airport Rehabilitation Project Sibiu City, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) CPTu testing
2012	Ramada Convention Center Construction Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) DPL, DPH testing
2012	Porsche Bucharest West Branch Monitoring Project Bucharest, Romania	Head of IN SITU Dept - Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) Fixed Depth Highlights completion
2012	Ring Road Project Suceava City Romania	Head of IN SITU Dept - Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2012	Court of Law Construction Project Ilfov District, Romania	Head of IN SITU Dept - Medium Geotechnical MANAGER Geotechnical borehole : planing &supervising Soil:sampling, description and IN SITU testing (SPT)
2012	Dorobantu Wind Turbines Project Constanta District Romania	Head of IN SITU Dept - Junior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2011	Craiova City Underground Parking Project Dolj District, Romania	Senior Geotechnical MANAGER Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) DPL, DPH, CPTu testing
2011	Arad District Pecica Bridge Project Arad, Romania	Senior Geotechnical Engineer Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) CPTu testing
2011	Arcelor Mittal, Galati City, Romania	Medium Geotechnical Engineer Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2010	Podgoria-Ramnicu Sarat Wind Turbines Project, Buzau District, Romania	Junior Geotechnical Engineer Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT) DPL, DPH,CPTu testing
2010	Enel - Electrical Stations, Bucharest, Romania	Senior Geological Engineer Geotechnical borehole : planing & supervising Soil:sampling, description and IN SITU testing (SPT)
2010	Praktiker Comercial Centre Buzau City, Romania	Senior Geological Engineer Geotechnical borehole :planing & supervising Soil:sampling, description and IN SITU testing (SPT)

2010	Arad-Oradea European Road Rehabilitation Project, Arad District, Romania	Senior Site Manager - Bridge foundation drilling piles (900 mm diameter)
2009	Petrobrazii Refinery, Prahova District, Romania	Senior Site Manager - Foundation drilling piles (900 mm diameter)
2009	Transilvania Motorway Project, Ilfov District Romania	Senior Site Manager - Bridge foundations drilling piles (1080 mm diameter) - Moara Vlasiei Sector
2009	Bucharest Infrastructure Project, Sector No.5 area	Senior Site Manager - Secant drilling piles for pipes junction network (620 mm diameter)
2009	STX Tulcea, Romania	Senior Site Manager - Secant drilling piles for Vros Device (620 mm diameter)
2008	Administration Centre Offices Building Praga Street, Bucharest Romania	Senior Site Manager - Excavation support drilling piles (620 mm diameter)
2008	Kronvest Business Park Brasov, Romania	Senior Site Manager - Excavation support drilling piles (620 mm diameter) and "berlinese solution"
2008	Tampa Gardens Apartments Building Brasov City, Romania	Senior Site Manager - Excavation support drilling piles (620 mm diameter)
2007	Sema Park Offices Bucharest, Romania	Senior Site Manager - terrace retaining construction
2007	Offices Building - Titeica Street, Bucharest, Romania	Senior Site Manager - Secant drilling piles for excavation support (620 mm diameter)
2006	Administration Centre Offices Building Occidentului Street, Bucharest, Romania	Senior Site Manager - Excavation support drilling piles (400-620 mm diameter)
2006	Plapcea Mare Bridge - Olt District Romania	Senior Site Manager - bridge foundations drilling piles (620 mm diameter)
2006	Medical Centre - Ion Ionescu de la Brad Street, Bucharest Romania	Senior Site Manager - Excavation support drilling piles (400 mm diameter)
2005	Offices and apartments quarter Sevastopol Street, Bucharest, Romania	Senior Site Manager - Excavation support drilling piles (400-620 mm diameter) and dewatering wells
2005	Offices and apartments quarter Polona Street, Bucharest Romania	Senior Site Manager - Excavation support drilling piles (400 mm diameter)
2005	Transilvania Motorway Project Cluj County, Romania	Medium Site Manager - Bridge foundations drilling piles (1200 mm diameter) - Cluj Sector
2004	Metrorex Bucharest Subway Network, Romania	Junior Site Manager - Excavation support drilling piles (400 mm diameter) for Ventilation Turbine Station - Pajura Subway Station
