Massage - Hotel Vega 5*

Constanta | Tourism / Hotel staff | Sport / Beauty / Spa

Tulip Spa Rituals is the only spa in Romania that sells La Sultane de Saba products. each of the La Sultane de Saba brand products is a subtle combination of rare, natural ingredients, sought by specialty brand specialists for each of us. Respecting the requirements of the most drastic laws, the ingredients of La Sultane de Saba are paraben-free, animal-tested and contain no ingredients of animal origin. relaxing massage, the La Sultane de Saba brand, offers you a deep multisensory experience.

This new concept proposes an oriental massage type with signature La Sultane de Saba, which will allow you to choose the corner of the world you want to travel through flavors.

Skin care

- Ritual Ancestral with Gold Powder
- Ritual facial with silk coconut, argan oil and aromatic oil Orange flowers
- Ritual facial Japanese Voice

gomaj corporal by La Sultane de Saba

Hamam & Gomaj Black Eucalyptus Soap and Kessa Glove with its mellow texture, black soap with Eucalyptus has the role of eliminating all impurities and Kessa glove helps to clean the dead skin. These are combined for an optimal result - a more smooth and brighter skin.

Hamam & Gomaj with marine salts and aromatic oil a natural scrub with fine particles of marine salts that has the role of eliminating all impurities and helping to cleanse the dead skin. An optimal result, a more smooth and shiny skin.

Hamam & Gomaj with silk protein and aromatic oil A natural grumble with fine particles that helps eliminate the dead skin resulting in its purification and through which the skin will find its silky texture.
