WORK EXPERIENCE

*I worked as a waiter; in general at various organized events.

2017-2019. In especially in weekend When oficial are more events.

One of the restaurant where i worked is "Laguna albastra", Făgăraş.

There i met good people, who helped and taught me the essentials of this post.

At this position I had to meet the following requirements:

- Organization of the event room
- Organizing, arranging tables
- Mise en place of table
- Careful customer service

I Will describe with more details:

I understand perfectly what a waiter's job means; It must always be available and malleable.

Each time I was asked for the waiter job, the work day would start around 10 am.

First of all, I was preparing the event room; we were cleaning the room, we set the tables according to the client's wish.

Then we would place the tables, putting the plates, the cutlery, the glasses, the napkins and everything else needed to welcome the guests.

Following on from that, we will serve the ordered dishes in turn.

The hours spent as a waiter were different, depending on the event.

At a wedding, for example, it started at 10 am and ended the next morning at 4 - 5 am
