### Organisational / managerial skills

My second season in Cyprus at the Zening Resorts was a challenging one. Different from the first season, there was a lack of staff this time so I besides my bar/restaurant tasks I had to take reception duties and also help the maintenance staff but it was a good experience and it helped widen my knowledge about other areas which make a hotel or a resort in this case run properly.

### Job-related skills

I'm easy to talk to so I communicate easily with colleagues and guest/clients. I have no problem helping around if help is required. I can work under pressure, I'm not bothered by it, I can stay focused on the job and on my tasks with calm and be polite and helpful to others. I'm fluent in English, I do ok in French and after working the last season on a boat where most of the passengers were Swiss, I improved my German also.

### Digital skills
