Professional Experience

2017-2018 (April to November)

Bartender
The Ushuaia Tower (Ibiza,Spain)

Working for 2 seasons as a bartender in Ibiza was a challenge.I was working under high pressure during night time preparing and serving beverages during high valued concerts including famous people like:David Guetta,Armin Van Burren,Martin Garrix etc .

The experience was a very good one due to the fact that I learned fast and quality service with premium beverages,and also new cocktails like: Snickers,Bounty,Mars. The perfect beverage after the famous chocolate brands.

I was also responsible of refilling my bar from the storage,making sure that nothing is missing and all the list of the menu is available for sale,keeping the bar

2015-2016

cleaned at all times,charging the guests in the Micros System and also making the inventory for all the club storage.

The Experience was a very positive one because it was the first time I worked in a foreign country on land,not on a ship like my previous experience.

Bartender

Cunard Cruise Line (Queen Mary 2 and Queen Victoria)

Working for Cunard was the second cruise line company I worked for and the best so far.

I was responsible of preparing the beverages according to the company standards following the White Star Training,making sure the guests are satisfied with the quality and taste,while trying to offer and upsell premium quality spirits .

I was also responsible with the end of month inventory and the Mxp orders for the beverage storage.

I had to supervise the waiters for the special cleaning according to the United States Public Health Rules And Regulations.

I was also responsible of trying to solv small problems and complaints of the passangers,or if my position could not solve the problem I had to report immediately to my on duty supervisor.

Cunard was the best Cruise Line I have worked so Far.

2014-2015

Working for Norwegian Cruise Line is the best professional experience i`ve had so far. I was responsible for promoting and maximizing beverage sales while making sure that they are mixed and served according to the company`s standards while ensuring the company`s policy in regard with the drink age and responsible service of the alcoholic beverages. I helped maintain the bar and pantry areas clean at all
